INNOVATION FINANCING IN THE SPIRIT OF THE TIMES

More and more individuals and associations are employing participatory financing, or crowdfunding to bring their projects to life; the Institute is no exception. Financed solely by donations and individual loans, it is the fruit of the lasting generosity of all those who support Dhagpo Kagyu Ling.

Our bet is to finance this building collectively, by uniting the greatest number of people possible around this precious and meaningful project.

## DONATING TO THE INSTITUTE MEANS:

**SUPPORTING** an institution where the Buddha's teachings are transmitted and put into practice.

**PARTICIPATING** in the preservation of ancient knowledge through the Dhagpo Kagyu library.

**CONTRIBUTING** to making these altruistic values accessible to the greatest number of people possible.

**CONNECTING** with all those who wish for lasting happiness for all beings.

## A SIMPLE MEANS OF GENEROSITY

Monthly direct deposits are easy to set up and offer several advantages:

- You choose the amount of your donation. We take care of the rest thanks to the direct deposit. You can choose to modify or suspend your deposit by mail, e-mail, or phone at any time.
- We send you an annual yearly receipt for the total amount of your donations.
- All you have to do is fill out the form on the other side of this page and send it in the prepaid envelope.

## THE MOMENTUM OF GENEROSITY

The total cost of the building (including amenities and interiors) amounts to 3.98 million Euros and **510 000 euros are left to raise.**

If you want to join the **2,300 people** who have offered their financial support, you can choose between **a one-time donation** and **a regular donation.**

Everything helps, but regular donations allow us to count on reliable resources.
